*Bringing Dreams to Life!*

## *Highrange Homestead*

“At home on the plain, nestled into a hillside or a large town block, the Highrange is a piece of country anywhere it sits. This thoughtful design separates living and sleeping zones without compromising space. An enormous optional loft with double dormer windows and grand entry will sure to impress the fussiest of guests. Add optional side verandahs to complete this perfect piece of Australian architecture.”

# Highrange Homestead Floorplan
